**PETITION TO REVIVE UNINTENTIONALLY
ABANDONED APPLICATION (37 C.F.R. 1.137(b))**

Dear Sir:

The above-identified application became abandoned for failure to file a timely and proper reply to a notice or action by the Office. The date of abandonment is the day after the expiration date of the period set for reply in the notice or office action, plus any extensions of time actually obtained. Applicant therefore respectfully petitions the Commissioner for Patents to revive the above-identified application under the provisions of 37 C.F.R. 1.137(b). The entire delay in filing the required reply, from the due date until the filing of a grantable petition under 37 C.F.R. 1.137(b), was unintentional.

Enclosed are:

(1) The petition fee in the amount of \$750.00 (37 C.F.R. 1.17(m));

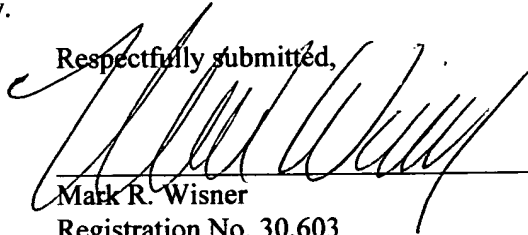

(2) The above-identified application was deemed abandoned as a result of Applicant's failure to respond to the Official Action mailed in the application on July 13, 2001. In accordance with the provisions of 37 C.F.R. 1.137(b), a proposed response (in the form of a Response to Official Action of July 13, 2001) is included with this Petition to Revive; and

(3) because the above-identified application was filed on or after June 8, 1995, no terminal disclaimer is required (37 C.F.R. 1.137(d)).

The grant of this Petition to Revive, entry of the enclosed Terminal Disclaimer (if required), and entry of the enclosed Response to Official Action of July 13, 2001, is respectfully requested.

In the event the check or Form PTO-2038 for the required fee is inadvertently not enclosed, is insufficient in amount, or inadvertently was not executed, the Commissioner is authorized to charge the Deposit Account of Wisner & Associates, Account No. 50-0965 (INGA,004/C/CIP) in the amount of any necessary fee. In the event there are questions regarding this filing, it is respectfully requested that the undersigned attorney for Applicant be contacted at the address and phone number set out below.

Respectfully submitted,
